PREFACE

The most important part of the legal aid service is to provide knowledge and information to the public about the provisions of law and the remedies available for redressal of grievances. Unless, one becomes aware of his rights conferred on him by the constitution as well as other enactments, and he is equal amongst all, one cannot fight for his rights. In this context, Legal Literacy-Legal awareness programme assumes importance. In that direction, the Tamil Nadu State Legal Services Authority is releasing booklets on various enactments.

This booklet is on "Hindu Marriage Act". The forms of marriages including "Suyamariathai Marriage", "Seerthirutha Marriage" and various grounds for divorce besides dissolution of Marriage by mutual consent, have vividly been given in the booklet. For the public, particularly for the Hindus, this book will be of very great use.
